

Be the Spark of Joy

Light up Christmas with just R100

This festive season, make a difference by supporting Aurora Special Care Centre, where children and adults with intellectual and physical disabilities find hope, support and community.

With a gift of just R100, you can help us continue providing vital care, specialized therapies, and enriching activities for those who need it most. Every contribution goes directly toward creating brighter futures for the Aurora family.

For more information contact Nicky on 041 368 6180
